

Application No. 10/808,070
Amendment dated January 18, 2005

REMARKS

Upon entry of the following amendment, Claims 1-35 are pending and remain in the application. Paragraph [0001] of the specification has been amended to correct the claim for priority of the present application to Application Serial No. 10/195,267 instead of Application Serial No. 10/743,112. Application Serial No. 10/195,267 was pending at the time of filing of the present application. Because the correction to the claim for priority is being requested after the time period required by 37 CFR 1.78(a)(2), a petition under 37 CFR 1.78(a)(3) and the fee under 37 CFR 1.17(t) is submitted herewith. Entry of the above amendment, therefore, is respectfully requested.

Respectfully submitted,

Eric D. Middlemas
